Phone: 716.270.8109

Email: [bhartley@gemko.com](mailto:bhartley@gemko.com)

## PERSONAL

Brent Hartley has been an MS Consultant with GEMKO Information Group, LLC. since 1996. GEMKO is an I.T. and Business consulting firm that emerged from an accounting firm; presently affiliated with the Top 30 nationally ranked CPA firm, The Bonadio Group.

## STRENGTHS

Brent's core strengths include his unmatched expertise in MS Dynamics. He helped to develop and program the ProjectPro add-on for MS 365/BC, and knows the program inside and out. He is the go-to person for any questions with the software.

## EXPERIENCE

Brent Hartley is a Senior Microsoft Dynamics Consultant specializing in design and development of 365/Business Central. He has worked in several languages and on a variety of hardware systems. Brent has experience working in NAV 2.0a through 2016. He has developed in all MS Dynamics business applications and has a strong accounting and finance background. Brent was a key contributor in the design and programming of the ProjectPro add-on for Microsoft Dynamics 365/Business Central. He has worked in a number of different industries, allowing him to see first-hand the issues that businesses face, influencing the components he deemed essential to include in ProjectPro.

## RESPONSIBILITIES

As a Senior Consultant at GEMKO, Brent helps to lead our Dynamics 365/BC team. He is experienced and skilled in consulting and pursuing leads, gathering requirements as well as determining system specification, process improvement, system testing, and vendor interface. His responsibilities lie in new customer installation and support of older clients. His involvement has been to keep ProjectPro moving in the Microsoft environment and working within Microsoft Dynamics. He is responsible for further development of the software and any and all migrations to new systems. His involvement in the technological as well as the consulting side of the team is critical to the success of ProjectPro and GEMKO.

## EDUCATION

Brent holds a Bachelor's Degree in Computer Systems from Rochester Institute of Technology. He is an expert in many programming languages, including Navision, C++, Access, among others. He is also trained in a number of operating systems including Windows OS & PC and Unix.

## ACTIVITIES

Brent has a certification as Navision Solution Developer, and continues to upgrade our ProjectPro software as Microsoft upgrades Dynamics 365/BC. He trains new team members on the inner-workings of the software as well as meets with clients to help them get a better understanding of exactly what it is ProjectPro can do for their company. He attends informational seminars as a representative of GEMKO as well.

## INTERESTS

Outside of work, Brent enjoys to follow stocks and bonds, likes boating and fishing, U.S. travel, researching his family history, and working on home maintenance.
