PERSONAL

Lindsay Mariani is one of our Microsoft Dynamics Consultants, working with GEMKO from 2015 - 2017, and has rejoined the firm as of August, 2018. GEMKO is an I.T. and Business Consulting Firm that emerged from an accounting firm; presently affiliated with the Top 30 nationally ranked CPA firm, The Bonadio Group.

STRENGTHS

Lindsay's meticulous and detailed expectations of herself are one of her greatest strengths, and one of the qualities clients love about her. She is precise in understanding the exact needs of the client, and willing to be flexible herself to ensure their goals are met.

EXPERIENCE

Lindsay worked with GEMKO for 3 years before taking a brief hiatus and has since rejoined the firm. In her time before being a full-time MS Dynamics Consultant, she worked mostly with Syspro ERP software, and assisted with Dynamics 365/BC whenever she was available. She has five years of manufacturing experience, Oracle experience, and Customer Service Experience, all of which help her to understand exactly what a client's needs for their business truly are. With a Master's in Education, she is highly qualified to train new users on the software, and is able to relay the information in a manner that is easily understood.

RESPONSIBILITIES

Lindsay is responsible for the communication lines between ProjectPro and our client base. Much of her time is spent traveling to client sites to work directly with our valued customers on their individual needs, as well as training them on how to utilize MS Dynamics. As an expert in the program, she is responsible for not only testing programming prior to client delivery, but fully understanding all software processes with the ability to relay the important aspects of the information in a clear manner to clients.

EDUCATION

Lindsay attended Mansfield University of Pennsylvania, completing a Bachelor's in Economics, along with a Minor in Business Administration. She went on to attain her Master's in Elementary Education at Grand Canyon University, maintaining a 3.86 GPA as well as acceptance into the Alpha Chi National Honor Society, and is a certified Six Sigma Yellow Belt. She is an expert in the business applications of MS Dynamics, including Financials, Dimensions, Fixed Asset Management, Jet Reports, Job Management, Inventory, Resource Management, Manufacturing, Distribution, EDI, Data Migration, Contact Management, and more.

INTERESTS

Lindsay has no limit to her interests outside of work. Athletically, she enjoys yoga, working out, and paddle boarding. She loves to spend any free time reading or spending quality time with her husband and two dogs; Carlos and Sophie. Her own aren't the only animals Lindsay holds close to her heart however, as she volunteers with Dog Rescue Charities to help fund programs that re-home, rescue, and rehabilitate dogs.
